Please see transcript for public hearing testimony.

The Board held discussion concerning the proposed site of the crematory. It was determined that he would have to meet all city building codes before it would be issued a license to operate the crematory.

Motion made by Adams to grant the construct permit request, seconded by Brazzel, all in favor. Motion carried.

Motion made by Burns to find the oral factual allegations and order read by Ohrenberger be found true, seconded by Brazzel, all in favor. Motion carried.

Mr. Thurman wanted to reiterate that this is just one of the steps Mr. Phillips will have to go through before it will be operational.

Motion made by Burns to adjourn with no further business to discuss, seconded by Brazzel, all in favor. Motion carried.
